Hazlett and Mrs. J. L. Hobbs.

ing to get even with the barbers. This scheme has long occupied our mind, but never before have we had the opportunity of carrying it out.

We are going to start a barber shop and shave only barbers of course we will do up in packages all reads to be ground. Dilworth's Patent Steam Roasted Java Trimming Silks, Tourquois, the finest quality of cros Orain Ribbon, and a complete line of the celebrated Double "A" Silk Ribbons.

We are going to start a barber shop and shave only barbers, of course we will do a smasking business; but we've calculated that housewives very naturally take to all this and have come to the conclusion that the good we will do the human family will make ample compensation for any triding pecuniary loss we may suspense.

Rough and Ready Hats, in the small be a model of cleanliness. The lit is used.

We are going to start a barber shop and shave conjugate on the shape and shave only barbers, of course we will do up in packages all ready to be ground that housewives very naturally take to the world. Messrs. Adams & Lucas keep a large and our word for it, you will linger at your cups like birds in Autumn. Boardmost liberal terms at reasonable prices.

See directions for making a good cup Tu,Th,Sat

PLEASANT STATE OF AFFAIRS.-Yes be perfect in this respect. All the vermin in them will be blooded stock—none of mometer during the day reaching 91 deyour common stock. The towels used are grees. The wind blew furiously the the streets are perfectly dry and the dust as any first-class house in the city. Call from one to six inches deep, it was not and examine goods and compare prices. very pleasant on the streets, nor in the pleasant to the eye being a cross between a black and a dirt color, with the latter predominating The apron used proof, and is neatly marked with the course the only thing that could be done dom, and are offered at less than 25c on dyeing of many barbers. The razors was to wish for rain and let it blow. Had there been water enough in the basin to the dollar their original cost. I. Blum used are to be models of utility and will be made at enormous cost for this estab-lishment. They will always take hold and the dust could have been kept down. And never let go. They will be filed regularly how long we wonder are the hose to be after every customer, and will always kept useless? The work of repairing the have a nice rough edge, and will be war-ranted to give the face of the customer a ood color, something resembling a raw elesseak. The combs will be made of take to make repairs? To look the matter square in the face, then we may have to

thes are to be made of wire, nicely sharp. good working order, and the basin full ened. This will also be kept good and and every hose in the city in full play, dirty, and the vermin nests in it will be only a portion of the dust could be kept destroyed at the loss of the barbers situation. The oil used in oiling hair is to be which not a hose is owned. What we STRANGE BUT TRUE.-How strange it

three doors east of former quarters, Quincy ty of sand and mussel shells in them, sar's hand, and if left alone would grow no larger. But no, Mrs. A. thinks Mr. A. will be happy to see and serve their friends and will always chaw the ends of the hair of rights, so she rushes into police court and no larger. But no, Mrs. A. thinks Mr. A. has ill treated her and she mux' have her rights, so she rushes into police court and only at Brown & Higgins'. there they make public all of their little But these things will amount to but lit-the—will only be trifles in comparison much lower in the estimation of all decent people than ever before. Of course the ment—the barber himself. We will lead him on a weak diet of asafætida, whisky and tobacco, which will impart a rich perfume to his breath. Every drop of tobacco juice dropping from the corners of his mouth on to the customer will have to be ing to police court or before a magistrate. mouth on to the customer will have to be paid for, as it will be impossible to furnable such luxuries for nothing, and where these drops enter the customer's eye three prices will be charged, and he will always such women to stand, up and recite construction. The harber's perversations that they had been a party to or had overheard that the vilest charlatan in the land would not recite without a blush of shame.

Oh it you have any family trouble troubles in the police court or before a
